

# DOG REGULATIONS

De Schatberg has guests with and without dogs. Both groups must be able to enjoy their stay. To be able to guarantee this, we have established these dog regulations.

**Having not read these regulations will not be accepted as an excuse under any circumstance.**

## GENERAL INFORMATION AND RULES

- There are special pitches and accommodations available where you can stay with your dog.
- You must register your dog at our reception and pay the accompanying fee.
- In our park, your dog is only allowed within the designated areas. The area's boundaries are marked with a fence and associated signs.

- Your dog must remain on a lead at all times. However, there is a fenced off exercise trail available for dogs where they can run around off-leash to their heart's content.
- There is a special swimming area for dogs. This is located by the exercise trail. This is the only area in the park where dogs are allowed in the water.

## DAY VISITORS:

Day visitors are not permitted to bring a dog.

## CAMPING PITCHES:

Dogs are allowed at the specifically designated camping pitches. A maximum of 2 dogs per pitch is allowed, provided they have been registered at our reception.

## VETERINARY PRACTICE:

There is a veterinary practice in Horst:  
Americaanseweg 33, 5975 GN Horst  
0031 77 398 21 69.

## GUIDE AND ASSISTANCE DOGS:

An exception to some of the rules is made for guide dogs and assistance dogs. Guide and assistance dogs are dogs that help people with a disability or limitation to live more independently. Guide and assistance dogs are allowed anywhere in our park, including inside buildings.

## ACCOMMODATIONS:

Dogs are allowed in a variety of our accommodations. A maximum of 2 dogs is allowed per accommodation, provided they have been registered at our reception.

**Dogs are not allowed in any of the buildings, including sanitary facilities (your accommodation is excluded).**

**If you have any questions about these regulations, do not hesitate to contact our reception or one of our other staff members.**
